

## Haven Horsemanship Program Application

Hello, my friend! I'm thrilled that you're interested in one of the Haven Horsemanship Programs. The application process is quite straight forward, it includes this brief questionnaire and a follow up one-on-one call together. It is of the utmost importance to me that we meet prior to agreeing to work together to make sure that we are a good fit for each other. For our call, feel free to have a list of questions that you want to ask ME. Me being a good fit for you is just as important as you being a good fit for the program :)
